Ponderings

We celebrate Catholic Schools Week (January 30-February 1)---some of us are alumni of Catholic schools, some of us are parents of students in Catholic schools, some of us are benefactors of Catholic schools, some of us are teachers at Catholic schools, some of us are students in Catholic schools. All of us benefit from the fruits of Catholic school education.

The NCEA (National Catholic Education Association) has produced a thoughtful list of the “top ten reasons” why a family should choose Catholic schools. I present this information as follows:

1. An Incarnational View of the World. Catholic school students learn that God is present and active in their lives and in the world. They learn to recognize the ‘footprints of God’ in their daily experiences, especially in the midst of life’s challenges. They see the signs of God’s love around them and become instruments of grace in their own neighborhoods, communities and in the world.
2. Immersion in the Paschal Mystery. Our lives are a series of small and not so small dyings and rising. In union with the Paschal Mystery, we realize that there is redemptive power in suffering, and in the power of the cross. In it lies the answer to the mystery of all of life’s successes and failures. In the experience of the Paschal Mystery, we also realize the need for community.
3. The Value of Relationships as a Reflection of the Divine. Catholic school students learn to experience God’s grace and presence in their lives through their relationships with family, friends and teachers. The loving and supportive relationships they experience are reflections of the love and life-giving dynamic of the Trinity.
4. A Nuanced View of Scripture. Catholic school students are given the opportunity to explore the beauty and richness of sacred Scripture seen through the lens of faith and lived out in daily practice. They experience the ongoing revelation of God in Scripture as the One who leads the Israelites through the Promised Land, and who redeems them through His Cross and Resurrection.
5. Civic Engagement. In a survey compiled by a non-American, non-Catholic source, it was indicated that private school graduates are significantly more likely to actively participate in civic activities than their public-school counterparts. Catholic schools were ranked #1 in the percentage of graduates who actively participate in civic and community activities such as voting, volunteering, letter writing to legislators, Catholic Concerns Day, and donations to charity, not just for a tax write-off, but out of a sense of the requirements of justice.
6. Service for the Common Good. Catholic schools promote service as an essential component of their curriculum. Many Catholic schools have service programs from kindergarten through twelfth grade. Higher education programs such as the Jesuit or Dominican Volunteer Corps promote service at the undergraduate and graduate levels.
7. Discipline as a Faith Expectation. Catholic schools promote self-discipline through clarity of moral vision that is based on the Gospel. Students are challenged to be Christ-like in word and action. They are asked to examine choices and actions in light of the Ten Commandments and the Gospel law of love. They are given a theological foundation for ethical behavior.
8. The Centrality of Arts, Ritual, Drama, Music to the Life of Faith. Through Catholic education students are exposed to the richness of the religious tradition. Music, art, literature, drama and ritual are rooted in the rich history of the Church and find their truest glory as an express of divine praise.
9. The Fullness of the Catholic Identity at the Heart of the Church. Catholic education has always been at the heart of the Catholic mission. Catholic education, and the students who are the product of it, have been called the ‘greatest work of the Church.’ They have been entrusted with the fullness of faith and have been charged with the mission of evangelization.
10. Personal Excellence as a Spiritual Goal. Catholic school students learn that excellence is a response to God’s blessings. Academic excellence is not a gospel value in and of itself. The Sermon on the Mount doesn’t say “Blessed are you who get all A’s”. Education must have an altruistic orientation. Students learn so as to help others and make a difference in the world around them.

Soup-er Bowl! (Super Bowl!)

Outreach to help the Poor.

From January 1st through February 9th (the day of this year's Super Bowl) we will be collecting cans of SOUP for the North Kingstown Food Pantry. We are setting a 'challenge' to collect 500 cans of soup! Then on the weekend of February 8/9 the young people of the parish will hold 'Soup Bowls' at the exit for a 'free will' donation---- which will support our parish's outreach to the poor and needy. (We purchase 'food cards' for those in need who approach us year-round).

Thanks for your support!

The Appeal Begins

The 2025 Catholic Charity Appeal has officially begun. This year's theme, "Trust in Providence," is a powerful reminder of God's grace and the trust he has placed in us to serve others. Our parish goal remains the same as last year, \$80,750, with an overall diocesan goal of \$7.5 million. As we celebrate the 100th anniversary of the appeal, let us reflect on a century of hope, compassion and support provided to all those in need throughout our state. Please prayerfully consider a gift to the appeal as we strive for 100% parish participation. To make your difference today, visit:

Soup Dinner

Recognizing our 'humble beginnings' as a 'mission church' in 1874 and in conjunction with our "Soup-er Bowl" Outreach to help the Poor----we will have a "Soup Supper" on Saturday, February 1st after the 5:00 p.m. Mass. Please return the RSVP---so we have an accurate count. *A free will offering will be accepted.* Our collection of cans of soup will take place: January 1, 2025 through February 9, 2025 (Super Bowl Sunday). Thank you for your generosity as we reach out to those in need.

Parking Lot Reminder

Please park in designated parking spaces. Please do not park in the fire lane----this lane is for the safety of everyone should rescue or fire apparatus need access to the church or parish center. In addition, please be mindful that children are leaving their 'faith formation classes' on Sunday mornings between 10:25 a.m. and 10:45 a.m. Those entering the parking lot at that time are asked to proceed slowly and with caution. The best solution: arrive early for the 10:30 a.m. Mass!

Emmanuel House Homeless Shelter

We are always in need of new socks, bath towels, and backpacks, twin-sized bedding, etc. Drop off items in the Church gathering space or at the Parish Center.

Steubenville East

There will be an informational meeting for teens interested in attending this summer's Steubenville East Catholic Youth Conference in Springfield, MA from 7/25-7/27. The conference is open to those currently in grade 8-12. A parent should be in attendance along with their student. There are two meeting times available. The first meeting will be at St. Bernard's at 11:30AM on Sunday, 1/26. The second one is right before our next Teen Life Meeting at St. Francis de Sales on Sunday, 2/2 at 5:30PM. Feel free to stay following this meeting and check out our Teen Life Ministry if you have not before. All are welcome. If there are any questions prior to the meeting, please email Christina at

sbc.teenff@gmail.com

Please Be Careful!

The winter is just getting started. Cold and snow will surely come. The area around St. Bernard Church is especially difficult to keep clear from ice in winter weather. Our church has been built facing the north and the sun never shines on our front entrance. What melts during the day, re-freezes at night.

We always do our best to keep the walks clear, but it is never going to be perfect (unless we turn the building around to face the South), and so we ask you all, when it does snow please use extreme caution and good common sense when coming to church. Please be thoughtful of others and lend a hand to those who are in danger of falling (especially the elderly).
